

COVID-19 - Health Protocols

- The visitors are allowed to enter only after showing their GreenPasses (fully vaccinated or recently recovered).
- All the visitors must have been registered online before their arrival at the venue.
- The proper use of a protective face mask is mandatory during the stay in the areas of the venue, for everyone, without exception.
- Keeping a social distance of one and a half (1.5) meter is mandatory. The rules for keeping social distances apply inside the booths too, as well as all the public areas of the venue.
